UPTON-UPON-SEVERN

WELCOME TO SEVERN MEADOWS

An impressive development of 2, 3 and 4-bedroom homes in the vibrant town of Upton-upon-Severn, nestled on the banks of the River Severn with views across to the Malvern Hills. Rural tranquility and urban accessibility come together effortlessly at Severn Meadows.

Bradford Street Arcade in Walsall (built c.1900) - one of the first projects by William Kendrick

Hillfort Place, Leckhampton - a previous development completed in 2024

TIME HONoured TRADITIONS

SINCE 1880, KENDRICK HOMES HAVE BEEN CRAFTING EXCEPTIONAL LIVING SPACES, A TRADITION BEGUN BY WILLIAM KENDRICK AND NOW PROUDLY UPHELD BY THE FIFTH AND SIXTH GENERATIONS OF THE KENDRICK FAMILY.

For over 140 years, we have made our mark on villages, towns and cities in numerous classical architectural styles. We have built everything from schools and hospitals to grand municipal buildings and a Victorian Arcade. In the Victorian tradition, our homes are designed with character and made to endure. Every brick laid continues that tradition of building homes that stand the test of time and with a deep pride in a job well done.

Our homes of today - designed from start to finish by our in-house design team - are informed by our heritage and are married with an interior style which evolves with the demands of modern living. Our developments have ranged from natural stone cottages and Tudor-style mansions to oak-fronted barns and modern townhouses. A time-honoured passion for perfection, craftsmanship and personal service are the traditions that guide our building of your new home.

CLASSICAL PROPORTIONS, ENDURING STYLE

Luxury is our standard and the finishing touches are what makes a Kendrick Home stand out. Fitted wardrobes, bathrooms by Roca, Hansgrohe and Minoli, thoughtfully landscaped and freshly turfed gardens and high-end fitted appliances all form part of the standard Kendrick Specification in every home. Your home is ready for you the day you move in.

We design and build flexible and considered rooms that can be furnished in any number of ways and used for different purposes. We build the house, you make it a home.

EXCLUSIVE LIVING

CREATING COMMUNITIES IS AT THE CORE OF WHAT WE DO, WE FOCUS ON SMALL AND MEDIUM SIZED DEVELOPMENTS TO ACHIEVE THIS. WE CELEBRATE THE INDIVIDUAL STYLE THAT EACH OF OUR HOME OWNERS BRING!

Our developments strive to deliver unique homes on fantastic plots. We seek to maximise open spaces for walking, playing and enjoying the private surroundings. Every lane, street and avenue on a Kendrick Homes development sees a variation of house styles, architectural details and elevational materials. Character is paramount.

We believe in creating spaces where families can grow, thrive, and create lasting memories.

SUSTAINABILITY

FROM INCEPTION TO COMPLETION, FROM DESIGN TO CONSTRUCTION TO LIVING, WE ARE COMMITTED TO REDUCING THE ENVIRONMENTAL IMPACT OF OUR HOMES.

We focus on clean electricity-generating technologies and integrate innovations in energy and heat efficiency to make your home more efficient and affordable to run. By carefully considering every stage of construction and collaborating closely with our supply chain to use the most sustainable materials, we ensure a greener future for you and the wider environment.

ENRICHING THE ENVIRONMENT

Our development in Upton-upon-Severn endeavours to enrich both the biodiversity within Severn Meadows and enhance the services and infrastructure in the wider community. We'll be providing over £970,000 towards the local area through the Community Infrastructure levy and money towards local facilities, including monies for school transport and community infrastructure.

OUR TREE PLANTING PLEDGE

We help nature grow every time we build – by dedicating a newly planted tree in the National Forest for every home we construct. Strengthening woodland habitats, helping wildlife flourish and bringing people joy.

FUTURE PROOFED

THOUGHTFULLY DESIGNED FOR A SUSTAINABLE FUTURE.

We design and build homes with your future and the environment in mind. Our commitment to sustainability means we use eco-friendly materials and incorporate advanced technology to ensure your home remains energy-efficient and cost-effective for years to come.

OUR ENERGY EFFICIENT FEATURES

LOW ENERGY LIGHTING WITH LED TECHNOLOGY

Energy efficient lighting helps lower electricity bills and carbon dioxide emissions without reducing the quality of light in your home.

HIGH PERFORMANCE INSULATION

A typical house with no insulation loses 33% of heat through its walls and 25% through the roof. To combat this we install high performance insulation in our homes to keep you warm and reduce energy loss.

COMPOST AREA, RECYCLING BINS & RAINWATER BUTT

Where possible we ensure there are specific areas set outside for composting and recycling to help you do your bit for the planet. In addition we'll supply a rainwater butt to collect and store water to use in the garden.

HIGH PERFORMANCE UPVC, DOUBLE GLAZED WINDOWS

Energy-efficient glazing keeps the warmth inside your home, leading to a reduction in energy bills, and adds soundproofing from the outside world.

AIR LEAKAGE TESTED

Our homes are tested for air leakage to understand the air movement between the inside and outside of the building, eliminating cracks and gaps while ensuring proper ventilation.

THERMOSTATICALLY CONTROLLED RADIATOR VALVES

Self-regulating thermostatic radiator valves (TRVs) are used on all radiators to control the air temperature in a room and help to adjust your heating perfectly.

ELECTRIC CAR CHARGER

Charge your electric car at home with our dedicated home car charging points. This is not only convenient but works out cheaper than filling up a traditional petrol or diesel car.

A-RATED APPLIANCES

We aim to only install appliances in your home that are 'A'-rated, ensuring low running costs for your new home.

AIR SOURCE HEAT PUMP

Included on every property at this development, air source heat pumps are an alternative way to heat your home. This technology takes the warm air from outside and uses it to heat your home inside.

TEMPERATURE MANAGED COMFORT

Intelligently designed windows and modern ventilation technologies to help manage the temperature in your home.

THE MALVERNS

THE MALVERNS COVER A LARGE AREA IN WORCESTERSHIRE INCLUDING THE VICTORIAN SPA TOWN OF MALVERN AT THE FOOT OF THE HILLS, TENBURY WELLS IN THE BEAUTIFUL TEME VALLEY AND THE HISTORIC RIVERSIDE TOWN OF UPTON-UPON-SEVERN.

One of the most outstanding locations in England, The Malverns comprises stunning landscapes, beautiful towns and villages plus a range of festivals and attractions. The Malvern Hills themselves, linking Herefordshire and Worcestershire, dominate the landscape. This is an amazing destination for walkers of all ages whether you are interested in either a gentle stroll or an energetic trek along the top of the ridge to make the most of the fantastic views.

The area is also alive with festivals, theatre and music - thanks in no small part to the history of Edward Elgar - and now dominated by the popular Malvern Theatres complex. There is also the nearby Three Counties Showground with an enviable calendar of events including the RHS Spring Festival and the Malvern Autumn Show in September.

EXCEPTIONAL SCHOOLS

There are some exceptional schools wherever you look in this area.

As well the local primary school there at least a dozen other options within a 5 or 6 mile radius.

In addition, Worcester boasts the excellent King's School and Royal Grammar and nearby Bredon Hall School is a little further south while Twynning, Bredon Hancocks and Hanley Castle are also all Ofsted-rated Good.

Not forgetting, of course the excellent options in Malvern including The Downs school and the highly-acclaimed Malvern College.

UPTON-UPON-SEVERN

ONCE AN IMPORTANT PORT AND THE ONLY CROSSING OVER THE RIVER FOR MANY MILES, UPTON-UPON-SEVERN NOW BOASTS A FLOURISHING MARINA WITH PLEASURE BOATS ALONGSIDE A VARIETY OF DELIGHTFUL OLD BLACK AND WHITE BUILDINGS THAT INDICATE THE HISTORIC PROSPERITY OF THE TOWN.

There are good local amenities in this much-loved riverside town including a range of independent shops plus cafes, pubs and community facilities although more extensive shopping choices can be found in Malvern and Worcester.

The entrance to the town just over the bridge is dominated by the 'Pepperpot' – a distinctive medieval church tower topped by an 18th Century cupola in place of a spire – and this forms the backdrop to regular music festivals held throughout the year including the popular Jazz Festival that takes place at the end of June. With countryside walks, waterside views and cultural hotspots nearby, Upton is an ideal base for enjoying Worcestershire at its finest.

STAY CONNECTED

AT SEVERN MEADOWS, YOU CAN ENJOY THE SERENITY OF A BEAUTIFUL RIVERSIDE TOWN BUT STILL BE JUST MINUTES FROM ROLLING COTSWOLD HILLS TO THE EAST OR DRAMATIC MALVERN HILLS AND WALES TO THE WEST.

Positioned alongside the River Severn as it winds south towards Gloucester, Upton-upon-Severn is just 5 miles from the Motorway network with the M5 running to the east of the town and therefore means there are great road links north to central Birmingham or south to Cheltenham, Bristol and beyond.

The nearest mainline stations are at Malvern, Pershore and Worcester offering direct links to Birmingham, London, Hereford and South Wales. The direct service to London Paddington takes around two and a half hours from Great Malvern.

Connectivity doesn't stop at local infrastructure – your new home will help you stay connected via gigabit fibre at speeds of 900mb+

All travel times and distances are approximate.
